Hi Jayne--

I also included my Div Chief Joelle Gore. She's on travel much of next week and her schedule is pretty crazy anyway so find a time that works for others and she'll do her best to join.

During our Jan 24 conference call, we decided to hold a conference call with programmatic and legal folks to discuss legal options available and timelines if the deadlines are missed or delayed under the CZARA 6217 Settlement Agreement. I am seeking **your availability this month for a call**. Please complete the following doodle poll and ***don't forget to change the time zone***.

Please forward to anyone else who should be invited to participate in the call.
